### Lyrics - English translation

V1

Say, oh dear!

Say you're a chief!

May you be nurtured with the love of the Rengarenga

Say, oh dear!

Say you're a leader!

Strengthened by the Kawariki, you are built to withstand any obstacle

Pre chorus;

Say it with me

Ti, Ti, Tihā! It is settled, resilience must be fast captured

Your heart endures, like that of the Kuaka bird

## PINK SHIRT DAY

Let you inner light shine with love  
As you rise, you flowingly ascend,  
Erecting the totem of your house of health

Chorus

Let peaceful vibrations resonate  
A calm soul is embraced

V2

Say, oh dear!  
Say you're an inspiration!  
You're a seed sewn from Rangiātea

Oh, my dear!  
It's in your holistic health  
Because a seed of that calibre will never be lost!

Pre chorus;

Say it with me  
Ti, Ti, Tiha! It is settled, resilience must be fast captured  
Your heart endures, like that of the Kuaka bird  
Let you inner light shine with love  
As you rise, you flowingly ascend,  
Erecting the totem of your house of health
